Greetings,

MDTSEA is alive and well! We have had a change in our executive board and are ready to serve MDTSEA members again.

Enclosed with this letter, please find a MDTSEA membership form and a special fall meeting announcement. The executive board will be hosting this meeting to elect officers, discuss new and old business, and upcoming events. If you are unable to attend the fall meeting, and would like to request an absentee ballot, please contact MDTSEA. MDTSEA is seeking those individuals that are interested in serving on the executive board. If you are interested, please contact MDTSEA.

As a way to welcome you back to MDTSEA, we are offering a special price on memberships. If you join MDTSEA now, you will receive over 18 months of membership for the price of one year! Please see the attached registration form for more details.

The fall meeting will not count toward professional development hours. However, if you're in need of professional development, there will be an opportunity to attend a session with Michigan Traffic Safety in the afternoon at the same location. Please register separately at MITrafficSafety.com

Please be patient with us as we revitalize MDTSEA. We will continue to serve the Driver Education and Testing industry in Michigan to the best of our abilities.

Sincerely,

Gary Matuszak
